

DRY SUIT DIVER SPECIALTY

Want to stay warm? Want to extend your scuba diving season? Then dive dry! A dry suit seals you off from the water and keeps you comfortable, even in surprisingly cold water. There is incredible diving in the world's cooler regions and in some areas, conditions are even better in colder months. Becoming a dry suit diver allows you to expand your boundaries and dive more places, more often.

Who should take this course?

- Be at least 12 years of age or older.
- Have a PADI Open Water Diver certification (or have a qualifying certification from another organization).

What will I learn?

- Putting on and taking off your dry suit with minimal assistance.
- Mastering buoyancy control using your dry suit.
- Dive safety procedures when using a dry suit.

What will I need?

- Basic scuba gear, including a dive computer.
- All PADI required course materials.
- Dry suit.
