

EMERGENCY FIRST RESPONSE INSTRUCTOR

CPR and First Aid are key skills that are important to everyone, not just scuba divers. As an Emergency First Response Instructor, you teach skills based on internationally recognized emergency care guidelines, and you can offer courses to anyone. The great thing about EFR courses is they make learning easy by providing a comfortable environment to practice emergency care skills. Your students finish the course feeling confident with their new skills and ready to help someone in need.

Who should take this course?

- Be at least 18 years of age or older.
- Have Emergency First Response Primary and Secondary Care (CPR and First Aid) training within the past 24 months.

What will I learn?

- How to structure and organize EFR courses.
- Presenting course content.
- Encouraging self-discovery in students.
- Evaluating students understanding and skill mastery during hands-on skills practice.
- Managing efficient scenario-based learning experiences.

What will I need?

- All PADI required course materials.
