

OPEN WATER DIVER

If you've always wanted to take scuba diving lessons, experience unparalleled adventure and see the world beneath the waves, this is where it starts. Get your scuba diving certification with the PADI Open Water Diver course—the world's most popular and widely recognized scuba course. Millions of people have learned to scuba dive and gone on to discover the wonders of the aquatic world through this course.

Who should take this course?

- Be at least 12 years of age or older.
- Need to be in good physical health, and have adequate swimming skills. No prior scuba experience is required.

What will I learn?

- Fundamentals of scuba diving, including dive equipment and techniques.
- Learn to use basic scuba gear, including mask, snorkel, fins, regulator, buoyancy control device (BCD), and a tank.
- Throughout the course, in addition to classroom training, you will have pool training, followed by open water (ocean) training.

What will I need?

- All PADI required course materials.
- Personal snorkeling gear—mask, snorkel, fins, booties and gloves.
